Total Hedge Fund Benchmark – Effective 1/1/2006: 100% HFRI Fund of Funds Composite Index

Gross Return is the performance return not taking into account management and/or advisory fees.

Net Return is the performance return less any management and/or advisory fees for the separately managed funds; and management and/or advisory fees for line item assets if directly invoiced to the client.

\*\*\*In most cases gross and net will equal for all line item assets, as the management and/or advisory fee is normally directly invoiced to the client.
